Information about Employment

The Nevada Area Council operates Camp Fleischmann to meet the needs of our youth in Nevada and Northeastern California. These include long-term resident camps for Boy Scouts and short-term resident camps for Cub Scouts and families.

Opportunities to serve Scouting as a member on the Camp Fleischmann staff are available to outstanding applicants. Competition for employment is keen; the jobs demanding; the experience that will last a lifetime.

Applicants are considered for positions without regard to race, color, religion, sex, national origin, age (if over 18), marital status, veteran status or the presence of a health problem or handicap that is unrelated to their ability to perform the jobs requested.

The preferred age requirement is 18 for many positions. Minimum employment age is 15, we strongly prefer 16. Counselors in Training are age 14 or 15. Positions that require certification must be a minimum of 21 years old. Applicants must be of minimum age by June 15, 2014.

This Nevada Area Council seasonal camp staff application, employment agreement, and medical forms are required to be completed and on file with the Nevada Area Council prior to employment for all staff, regardless of whether the position is salaried or voluntary.

All applicants for paid positions are also required to complete Form I-9 "Employment Eligibility Verification," in addition to the staff application and employment agreement. Originals of two forms of identification are needed (a Passport, Birth Certificate, drivers license and social security or student ID card.)

The length of employment varies with job assignment, some are as long as eight weeks and others less than a week. For paid positions, preference is given to those applicants who will spend the entire camping season for their position.

Applicants must be registered members of the Boy Scouts of America or agree to become registered before employment begins.

The principles of the Scout Oath and Law must be practiced as a way of life.

The staff is expected to set an example of excellence in Scouting, which includes the proper wearing of the uniform, and adhere to standards of personal appearance.

Salary is based on position responsibility with consideration given to the individual's experience.

Review the list of jobs and indicate three preferences on the application. A brief resume of your experience for each of your choices is acceptable.

Some positions require some vehicle driving. You must have a valid driver's license to qualify for such a position.

Submit your application early. Primary consideration is given to those applying by December 1st. Applications are accepted on an ongoing basis, year round. The Camp Director will notify you when a decision is reached.
