Iron Chef Rules

The Iron Chef competition will be similar to the TV Show on the Food Network. You will be given a "secret ingredient" that has to be used in all 3 dishes (appetizer, main dish, dessert). The "secret ingredient" will be provided at the beginning of the day. You will be given 3 hours to complete the 3 dishes, which will then be brought to the judges table no later than 12:15 PM.

There will be a panel of 3 judges. Each judge can award up to 20 points per entry. 10 points for the best use of the "secret ingredient", 5 points for presentation, and 5 points for taste. That means every team could get as much as 60 points for their entry.

Each Patrol will need to bring the following items:

- Cooking stoves, charcoal, etc…
- Pots, pans, dutch ovens, etc…
- Mixing bowls
- Cutting and cooking utensils
- Cutting board
- Spices and seasoning
- Matches or lighter

Each Patrol should bring the following:

- 3 vegetables
- 1 meat (*beef or chicken*)
- 1 fruit
- 1 garnish (*Garnish is to be used during plating only. It may not be incorporated into the dish.*)
- Seasonings and spices. (*Pre-prepared sauces or dressings are **NOT** allowed. Pre-prepared dry mixes (cake mix or pancake mix) **ARE** allowed.*)
- Flours
- Sugars
- Oils

The Patrol will need to furnish the presentation plates/bowls. You will be allowed to bring canned items, all the seasonings and spices you need, and cook books if needed. Also no Adults are allowing to help cook, everything must be done by the youth. Adults must supervise for safety only.

The "secret ingredient" will be provided at the beginning of the competition.

Safety and cleanliness are a must. Don't expect the judges to eat something that has been contaminated. That will result in "0" points, please keep your prep areas clean. Other than that have FUN!
