

Welcome to Camp Fleischmann

{sidebar id=2}Camp Fleischmann is the premiere Resident Camp for the Nevada Area Council, Boy Scouts of America. Located at the base of the Cascade Mountains near Mount Lassen Volcanic Park we offer a full program of scouting, fun, and the outdoors.

When your Scouts attend Camp Fleischmann, they will be doing a lot more than just camping. While camping is one of the primary reasons that a boy joins Scouting, it is also an ideal opportunity to develop character, build teamwork skills and grow as a leader.

The Place for fun and adventure

Scouts will have the opportunity to experience a wide variety of programs, ranging from aquatics to shooting sports, from environmental studies to climbing to our commissioner sites where the Scout Handbook comes alive with those essential camping and everyday life skills. We're also very excited about our High Adventure additions this year and look forward to offering something new and challenging for everyone.

2010 Reservation Fees

Reservations for the 2010 summer season are accepted at any time until camp reaches it's maximum occupancy. Camp sites cannot be guaranteed as they are filled based on number the number of participants the unit anticipates bringing to camp.

All forms will be dated and time stamped with a deposit of \$200 on a first come basis. Camp Sites are filled based on a combination of the sites the unit had the prior year, first come, first served and the number of committed Scouts the unit will be bringing to camp.

Reservation deposit fees are NON-REFUNDABLE and will be credited to the troop's total camping fee for their week at camp.
